Victoria Falls, Zimbabwe

Resting on the southern banks of the Zambezi river at the western end of the eponymous falls, this popular tourist town is compact enough to walk around and makes an ideal base for travellers exploring the seventh wonder of the world, the unfathomably vast Victoria Falls. About two thirds of the falls can be viewed from the Zimbabwean side and, while the falls are undoubtedly the star attraction, the area provides both adventure seekers and sightseers with plenty of opportunities to warrant a longer stay. Popular activities include scenic flights over the falls in helicopters or micro lights, bungee jumping off the Victoria Falls Bridge, white-water rafting (seasonal), and day trips to Chobe National Park. The town itself offers some excellent accommodation and restaurant options as well as an eclectic variety of African curios and authentic art sold by friendly Zimbabwean locals who are wonderfully welcoming and eager to help you enjoy your stay.

Day Itinerary

You will be met by your private guide on arrival at Victoria Falls Airport. Discover the charms of this iconic town by visiting the vibrant markets whilst engaging with the friendly locals and end off the day with a romantic sunset voyage on the magnificent Zambezi River. With the rumble of the mighty Victoria Falls in the background, dinner is served.

The Victoria Falls Hotel, popularly known as “the grand old lady of the Falls”, is situated in the Victoria Falls National Park, and is a member of the exclusive Leading Hotels of the World group. It is one of only three ISO-accredited hotels in Zimbabwe. The Edwardian-style five-star hotel combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs, it provides the tranquillity and seclusion that many guests seek. The famous Victoria Falls are just a ten-minute walk away using the hotel's private pathway, and “the smoke that thunders” or “Mosi-O-Tunya” in the local dialect, is clearly audible and visible from this luxurious landmark.

Snack on delicacies from the high tea selection, as well as other delectable snacks, and be treated to any of the thirst-quenching beverages from the fully-stocked bar, while you take in the wild Zambezi.

It is also a protected region for endangered species. The area stretches from sandy dunes and savannahs through to rocky terrain and forests. Activities

Day and Night Game Drives

Morning and afternoon game drives as well as night drives with a spotlight are offered at The Hide Safari Camp.

Days can be spent further afield on game drives in search of predators and prey alike. We like to do things properly so sundowners are an important part of the experience. Enjoy the natural beauty with a cold drink in hand. The guides at The Hide are very much part of the family and have been with us for many years. They have undergone some of the most rigorous training in Africa and their passion for and knowledge of the bush is often what makes a safari so special.

Guided Walks

Morning and afternoon guided walks are offered at The Hide Safari Camp.

The Hide Safari Camp is fortunate to have the best of both worlds. While located within the Hwange National Park, it is also surrounded by a private concession which allows us to offer activities not otherwise permitted. Hwange is a vast playground worth exploring so you don't have to worry about being bored. Early morning walks are there for the thrill of encountering wildlife on its own terms and exploring the little surprises of the bush.

The Underground Hide and Wine Cellar

You're sitting on the deck at The Hide 'A' frame. The sun has just set, its residual warmth a soft tinge of pink in the sky. Just then, a family of elephants strolls into the scene and up to the waterhole. You watch, fascinated by their interactions. Now, here's where you jump into action. Without the need for a guide or host, you can go directly from the deck into the underground hide and observe the elephant family from up-close. Just step off the deck and slip down the steps into a whole new world. Along a tunnel, you'll walk for about 10 metres under the surface of the earth – and then emerge into a "window on the waterhole", where you can sit quietly, the unobserved observing. It's a special new addition and makes the experience of "game viewing" more intense and personal.

Along the same tunnel, guests are delighted to find, hidden away in the wall, a real wine cellar. Perfectly cooled at a steady 17 degrees Celsius, ambient-lit and stocked with a small selection of fine wines from around the world, this is a welcome addition to an already all-sensory experience at The Hide. Guests are invited to choose the wine they'd like with dinner – or suggestions are made based on wine pairing experts' recommendations.

The Dove's Nest Treehouse

Our little secret, the Dove's Nest, is just about the best way to get away from it all. There are few things more exciting than spending a night out in a tree house.

Overlooking the open tree-lined vlei and pan, this rustic gem is a perfect vantage point from which to view wildlife safely, quietly. Just the two of you. Kept simple, as a tree house should be, the bedroom of the Dove's Nest is reached by a wooden stairway and with a closeable door. You won't have to forego your hot shower and warm bed and the location is second to none.
