**DAY 4: GREATER MOREMI AREA, BOTSWANA**

**BLD**

After breakfast we head south travelling via Maun to our camp which is situated in a private concession in the Greater Moremi area. This large area is renowned for its concentration of mammals and it is not unusual to see many different types of wildlife during just one game drive. Game viewing is seasonal; depending on the time of the year you may see different species in different areas. The best time for game viewing is the end of the dry season or spring from August to November. During this season, in order for us to offer the best game viewing possible, extra driving may be required due to the animals migrating closer to the river. In the summer, birdlife can also be viewed in abundance with exceptional sightings of wildfowl and raptors.

Experience one of Botswana's finest game viewing areas in an unfenced, mobile bush camp located on a private concession in close proximity to the Moremi Game Reserve, a 2 hour drive from Maun. Twelve comfortable tents are positioned privately under big Acacia trees, offering travellers an authentic and secluded African bush experience. The camp is also equipped with a homely and communal dining and bar area.

The tents are covered with Bedouin-style fly-sheets, offering guests protection from Botswana's weather conditions and fashioning the camp with a distinctive nomadic appearance & atmosphere. Listen to the remarkable night sounds of the bush from the comfort of a safari tent equipped with twin beds, soft pillows and duvets. Doors and windows are fitted with mosquito screening and insect repellent is provided.

To limit the camp's impact on the environment yet still afford the necessary comfort in the bush, the en-suite bathrooms are equipped with flush toilets and hot bucket showers. Please note that the camp is solar powered, and cameras and mobile phones can be charged in the communal areas should the power levels allow it. At night the paths to your tents will be illuminated by lanterns and your guide will escort you back to the privacy of your tent.

**DAY 5: GREATER MOREMI, BOTSWANA**

We have the opportunity to spend the day on game drives. In our open 4x4 vehicle we will explore the Greater Moremi area on morning and afternoon game drives hopefully spotting a variety of game that frequent this region. After dinner your guide will take you on a night drive, and you will hopefully be able to spot some rare nocturnal animals.

Jenman African Safaris uses fully equipped Toyota Land Cruisers, Mercedes All-Terrain vehicle, 12-seater 4x4 safari vehicles or other appropriate vehicles with comfortable seating, large windows for game viewing, a music and PA system. All luggage, besides hand luggage and photo equipment, is carried on the vehicle or trailer roof racks to ensure maximum comfort in the vehicle. Some game drives may be conducted in open-sided safari vehicles. For transfers between Kasane and Victoria Falls or Hwange and Victoria Falls (or vice versa), 2x4 vehicles may be utilised.

### TRAVELLING TIMES AND DISTANCES:

All travelling times are affected by road conditions, border crossings, detours and weather conditions, therefore on certain days travelling times may be longer than anticipated especially where there is a lot of distance to be covered. Please keep in mind that the time it takes to travel 100 km in your home country is not equivalent to the time it takes to travel 100 km on African roads, therefore we encourage you to sit back and enjoy the spectacular scenery Africa has to offer. Where possible additional stops will be made to ensure your travelling comfort at all times.

### ACCOMMODATION:

We make use of mid-range typical African standard lodge accommodation. Accommodation is situated either in national parks, on the banks of a river, or in other places of interest. The accommodation will be a mix of lodges, chalets and tented camps with en-suite bathrooms.
