Home of the "Marine Big 5" - whales, sharks, dolphins, seals and penguins; and with unparalleled floral diversity, Grootbos offers you a one-of-a-kind luxury African experience.

Only 2 hours from Cape Town and 30 minutes from Hermanus on the way to the world-renowned Garden Route, Grootbos is perfectly situated between the classic attractions of the Cape and is most certainly a highlight on any itinerary.

Nestled carefully into the natural gaps of an enchanted Milkwood forest, the 11 freestanding suites are stylishly furnished with luxurious canopy beds, spacious en suite bathrooms, separate lounges with cosy fireplaces and private wooden decks with spectacular panoramic views.

The luxury and comfort of each of these suites combined with the soothing sounds of nature and the view of the ocean sparkling in the distance framed by the gnarled branches of an ancient Milkwood tree is a truly restorative and uplifting experience that will have you wishing you could stay forever.

True to its name, the warm and welcoming Garden Lodge is set amongst an Eden of beautifully landscaped fynbos gardens and indigenous trees. Fashioned from stone, thatch and timber, the Garden Lodge reflects African warmth with an intercontinental twist, blending perfectly into the surrounding landscape.

An elegant restaurant, spacious lounge, beauty salon, library and children's entertainment room ensure that all needs are satisfied. The wooden deck, terrace and superb pool area extend the interior space into the outdoors allowing sun seekers and nature lovers to make the most of the rejuvenating environment.

Here's how to get an early-morning buzz. Get kitted up in the latest protective beekeeping gear and come face-to-face with – wait for it – 15,000 bees.

This small-scale, high-octane activity kicks off at Grootbos's organic farm. You'll be met by our resident beekeeper, who will help you into your kit and take you out to our bee hives dotted about the reserve. Each hive is home to around 15,000 unique Cape Honey Bees, and you'll get more insight how to harvest, filter and bottle their rare fynbos honey.

It's an incredible experience, made all the sweeter by a honey-themed breakfast back at the farm, where you can sample the fruits of their labour in the dappled shade of the ancient Milkwood trees. Breakfast has never tasted so good...
