SPENDING MONEY:

Clients are advised to bring enough money to cover their lunches and dinners, the purchase of curios and additional entertainment. Madagascar's currency is the Ariary. Euros are the most practical and convenient currency to exchange into the local currency at the Airport. International credit cards and travellers cheques are very seldom accepted, although VISA cards are accepted at some hotels.

Where included meals will be enjoyed in the restaurants of the various accommodation establishments. Please advise us of any special dietary requirements in advance.

GRATUITIES

If you feel you have been looked after well by your crew or guides, and you wish to show your appreciation for their services, a monetary tip is very welcomed by those in Madagascar. Here follows some suggested guidelines:

- Around EUR 4 per person, per day (10,000 Ariary) for a guide or a guide/driver.
- Around EUR 2 (5,000 Ariary) for a park guide, depending on your satisfaction.
- Around 5% of the bill at a restaurant
- 200 Ariary per bag for a porter.

As Euro coins cannot be changed into local money in Madagascar, it is advisable to tip in Ariary. We would ask that you please reserve your generosity for tipping for services only, and not providing free hand-outs to children or adults, as this encourages begging.
