All travelling times are affected by road conditions, border crossings, detours and weather conditions, therefore on certain days travelling times may be longer than anticipated especially where there is a lot of distance to be covered. Please keep in mind that the time it takes to travel

100 km in your home country is not equivalent to the time it takes to travel 100 km on African roads, therefore we encourage you to sit back and enjoy the spectacular scenery Africa has to offer. Where possible additional stops will be made to ensure your travelling comfort at all times.

#### **ACCOMMODATION:**

We make use of mid-range typical African standard lodge accommodation. Accommodation is situated either in National Parks, on the banks of a river, or in other places of interest. There are no facilities available for self-catering.
